

PROJECT OVERVIEW

JUNE 2023

I-94 and Moorland Road (County O) Project to Begin

The Wisconsin Department of Transportation (WisDOT) is scheduled to improve the I-94 and Moorland Road (County O) interchange in the City of Brookfield beginning in early July 2023 with anticipated completion in late fall 2023.

Scheduled traffic impacts:

- ① Westbound I-94 to northbound Moorland Road exit ramp to close for approximately two months for reconstruction.
- ② Northbound Moorland Road left turn to westbound I-94 entrance ramp to close long-term.
- ③ Long-term lane closures on northbound Moorland Road from Carpenter Road to north of the interchange.
- ④ Overnight lane closures on southbound Moorland Road from north of the interchange to Carpenter Road.
- ⑤ Overnight entrance ramp closures from Moorland Road to westbound I-94.
- ⑥ Carpenter Road at the intersection of Moorland Road is scheduled to close to traffic long-term.

Access to residences and businesses will be maintained.

Please note that all work is weather dependent and subject to change.

The following work is scheduled to take place as part of this project:

- Ramp improvements to increase safety and provide a more efficient flow of traffic.
- Installation of new traffic signals.
- Storm sewer improvements on Moorland Road.
- Intersection improvements at Carpenter Road.
- Repaving Moorland Road between Carpenter Road and slightly north of the interchange.

The project team thanks you for your patience and cooperation throughout this project!
